Tires will be marked with division and car number and will not be allowed to be used on other cars during the 2022 nationals. In the event a competitor has to go to a back-up car or use another competitor's car. They have to use their original marked tires.
3. After your tires are marked, they must be used at Las Vegas Motor Speedway during all nationals events. INEX officials will be monitoring tire wear throughout the Asphalt nationals. We will use several tools to monitor tire wear including timing and scoring.
4. There will be **NO PHYSICAL ALTERATIONS ALLOWED TO TIRES**. Any marked tire found with physical alterations (including during nationals) will be confiscated and that Team will be disqualified from the entire event and asked to leave.
