

# 2022 Summer Shootout Legend Car and Bandolero Car TIRE RULES

The intent of these rules is to keep fair cost effective competition across all divisions.

- Each team will be allotted 4 brand new Hoosier tires with nubs.
- Each tire will be branded by INEX officials prior to purchase. Tires will be branded with division and car number and will not be allowed to be used on other cars during SSO (EIRI).
- After tires are branded they can be used at any time at CMS during Summer Shoot Out. **THESE TIRES ARE FOR SUMMER SHOOT OUT AT CMS ONLY! Do not use these tires at other racetracks!** INEX officials will be monitoring tire wear throughout Summer Shoot Out. All cars will be within the same range of tire wear and any tires that are out of range will be confiscated. We will use several tools to monitor this including timing and scoring (lap count).
- There will be **NO PHYSICAL ALTERATIONS ALLOWED TO TIRES**. Any branded tire found with physical alterations including during practice will be confiscated and Teams will have to purchase a new Hoosier tire from U.S. Legend cars parts trailer at the race track. Each tire found to have physical alterations will result in a \$100.00 fine and loss of all practice time and must start rear of feature for that event.
- **PHYSICAL ALTERATIONS are defined as:** Anything that changes the outer surface of the tire other than the racing surface and/or inner surface as delivered from Hoosier. **IN OTHER WORDS, NO CUTTING, CAMBERING, SOAKING, SCRAPING, OR ANYTHING YOU CAN THINK OF! DO NOT PLAY GAMES WITH TIRES YOU WILL LOSE!**
- Competitors will be allowed to use different, non-branded Hoosier tires for practice if they choose. This is for practice only. Branded tires must be used during all competition.
- If a branded tire is damaged in on track events (and approved by INEX Tech officials) it can be replaced with a new (with nubs) Hoosier tire. The damaged tire must be given to INEX officials before a new one will be branded. Any tire damaged on purpose will not be replaced.

- New teams (after round 1 of SSO) will be allowed to brand tires 4 tires on their first round. These new with nubs Hoosier tires must be branded before competition.
- It is the team's responsibility to make sure they have the proper tires on with proper branding during all competition.
- In summary, you get 4 tires for Summer Shoot Out. Once tires are branded they can be used for Summer Shoot Out practice and competition. **DO NOT TOUCH YOUR TIRES IN ANY WAY SHAPE OR FORM** and you will not have any tech issues.

## **Beginner Bandolero Tire Rules**

- Beginner Bandolero competitors will use Hoosier tires only. They will be required to follow the regular Summer Shoot Out tire rules, with these exceptions.
  - They will be allowed 4 tires each (any combination of new or used tires).
  - If a competitor decides to move up to their respective class (bandit or outlaw) during the Summer Shoot Out, they can bring only the new tires they submitted for branding.
- Any used tire submitted to be used in the Beginner class must have at least 4/32" tread depth and have no more than 1/32" difference in the tread depth across the tire. They may not be cut, softened, etc. or they will not be branded. INEX officials reserve the right to deny any used tire that does not meet their standard.
