

Legend Car Charger division & Bandolero Car Beginner division competing at the Winter Nationals at Citrus County Speedway.

The Charger division (legends) and the Beginner division (bandoleros) are not required to impound tires for the 2022 Winter Nationals.

These two divisions are required to use Hoosier Asphalt tires legal to the current INEX rulebook.

If you choose to move out of the Charger or Beginner division during the week, you must plan ahead and check in new tires to impound on Sunday 2/13/2022.

Thank you for your cooperation.
