

2026 BANDOLERO NATIONALS

Attention all Bandolero competitors that are participating in the 2026 Bandolero National Championship race on September 26th at EchoPark Speedway.

It is required for all Bandit & Outlaw competitors to practice, qualify & race their main event (Saturday, September 26th) using new tires purchased & marked specifically for this event.

These tires must be new with nubs when checked during pre-race inspection at EchoPark Speedway on Saturday 9/26/26. These tires are not to be used prior to checking them in during prerace inspection on Saturday 9/26/26.

In order for you to get these tires, you must sign up on the driver registration on My Race Pass.

After we get your driver information from the driver registration on My Race Pass, your tires will be marked (for your car) and available for pickup or delivery. Please contact the US Legend Cars parts department in Harrisburg, N.C. to arrange delivery.

If you intend on racing in the Bandit or Outlaw classes at the Bandolero Nationals, MAKE SURE YOU ARE ON THE DRIVER REGISTRATION LIST (ON MY RACE PASS).
