

2026 CMS SUMMER SHOOTOUT PROCEDURE UPDATE

Legend Cars and Bandolero Cars:

Qualifying

During qualifying, all cars in each class will move from cold grid (pit side of NASCAR pit road) to hot grid (track side of NASCAR pit road) together. If you are not in your class on cold grid when it moves to hot grid, you will not be allowed to qualify.

Main Event

During the main events, if you are not in your group / main event lineup on cold grid when it moves to hot grid, you will start in the back of that main event.
