

CMS SUMMER SHOOTOUT TIRE CHECK IN

Attention all Young Lion, Semi-Pro, Master, Pro, Bandit & Outlaw competitors running the 2026 CMS Summer Shootout.

Your new Summer Shootout tires (as delivered by US Legend Cars for use at the 2026 CMS Summer Shootout) must be checked in by John Kelly at the Charlotte Motor Speedway tire impound building prior to going on-track. These tires must be new / with nubs.

If your first time on-track with these tires will be practice on Tuesday, June 2nd, your tires must be checked in between 4pm & 6pm. **PRIOR TO GOING ON-TRACK.**

If your first time on-track with these tires will be Monday, June 8th, your tires must be checked in between 11:30am & 1pm. **PRIOR TO GOING ON-TRACK.**

Any driver (Y,S,M,P,B,O) that starts after the first 2026 CMS Summer Shootout race will be required to have their tires checked in **PRIOR TO GOING ON-TRACK** at their first event run.

ALL (Y,S,M,P,B,O) TIRES USED AT THE 2025 CMS SUMMER SHOOTOUT MUST BE CHECKED IN BY JOHN KELLY, AT THE TRACK PRIOR TO ANY ON-TRACK ACTIVITY WITH THOSE NEW / WITH NUBS TIRES.

During the Summer Shootout series, if you damage a marked tire, you will use your "extra" tires for replacements. All "extra" tires must be used before any replacements are issued.

DO NOT ALTER ANY MARKINGS ON THE SIDEWALL OF YOUR TIRES!

Thank you for your cooperation.
