

WINTER NATIONALS EVENT TIRES

Reminder,

Bandit, Outlaw, Young Lions, Semi Pro, Master & Pro Event tires will be supplied at Auburndale Speedway for the Winter Nationals to all competitors that have registered on Pit Pay for this event.

The event tires will be mounted at the tire building on your wheels. Please bring your 6 wheels (5 for Bandolero) to the tire building on Thursday 2/5, Friday 2/6, Saturday 2/7 from 1pm till 4pm or Sunday 2/8 from 8am till 12 noon to have your event tires mounted.

You can check your stagger & mark your tires in the tire building after getting them mounted. However, they must stay in the tire building until Sunday 2/8. You will be allowed to use your event tires (or other INEX legal tires) for practice on Sunday 2/8. Any event tires used on Sunday 2/8 must be turned back into the tire building within 30 minutes of the last checkered flag of practice.

Thank you for your cooperation.
